Client Testimonials

"Solutions from Untra enabled our faculty to focus on enriching and enhancing our curriculum. By putting assessment results to work for our students and faculty, we were able to prevent distractions that arise from operational overhead!"

Dr. Banu Onaral, H. H. Sun Professor & Director,
School of Biomedical Engineering, Science and Health Systems,
Drexel University

"Untra is a trusted extension of our core team."

Carolynn King Richmond
President and Chief Executive Officer,
MicroSociety, Inc.

"Untra takes a leadership role in taking our web presence to the next level!"

Bill Santora, Chief Executive Officer (Left) &
William R. Long, Vice President, (Right)
A&E Construction, Inc.

"On a short timeline with a minimal budget, Untra was able to assemble a just-in-time web solution that met my Company's needs perfectly!"

Michael Herr, Chief Executive Officer
Orphagenix, Inc.
